Section A:

```
        E                                A
On Christ the solid rock I stand
                E                        B
All other ground is sinking sand
          C#m                    A      E
All other ground is sinking sand
```

Section B:

```
        E                                A
My hope is built on nothing less
                E                                B
Than Jesus blood and righteousness
                C#m            A      E
Than Jesus blood and righteousness
```
