

LIMITLESS
PIONEERS

Intern Application Form

Do you have a passion for youth ministry and reaching young people? Are you enthusiastic about launching new things? Are you passionate about communicating the message of Jesus in an accessible and authentic way for the next generation? Do you want to grow in leadership and learn valuable life skills?

Limitless Pioneers is about experiencing the adventure of pioneering youth ministry through local churches to ensure a stronger tomorrow for the church of today.

Why is this important?

Young people in the UK are the future politicians, plumbers, painters, bankers, musicians, artists, mums, dads, leaders and influencers. They're also the future of the church.

Limitless Pioneers is about experiencing the adventure of pioneering youth ministry through local churches to ensure a stronger tomorrow for the church of today. The church must step out of our comfort zone and occupy the places the next generation inhabit and in so doing step into fulfilling the purposes of God in this generation.

Now is the time for churches to be equipped & empowered to engage with the young people in their communities.

LIMITLESS has a vision to launch 100 new youth ministries through churches who are not currently reaching young people.

Why do the Limitless Pioneers Gap Year?

Many take a gap year for life experience, gaining important skills along the way. During the Limitless Pioneers Gap Year, students experience the adventure of pioneering something new, learn what it takes to launch a new ministry, make lifelong friends, receive high quality training, experience more of God and discover the dynamic purpose of investing in the next generation.

During this gap year students learn more about themselves and many practical, transferable life skills that come with being part of a positive and successful team. People skills, budgeting, planning and implementing events, inter-personal communication as well as inter-organisational skills along with many other valuable life and work know-how which are valuable in navigating a full and significant life.

What is it?

Limitless Pioneers is an exciting gap year program focussed on pioneering new youth ministries across the UK through schools work, detached youth work and evangelistic initiatives, in partnership with local churches.

It begins with a team training camp at Limitless HQ before launching into youth ministry, joining with teams based at partnering churches. These teams will receive training throughout the year.

Those on the Limitless Pioneers gap year will experience the adventure of pioneering new ministries, receive training from some of the UK's most inspiring leaders, make life long friends, grow in their gifts and deepen their faith in God.

How does it work?

The Limitless Pioneers Gap Year is an 11 month long programme, running from the start of September to mid July. The team, led by the course leader, are placed in a region of the UK to serve and partner with more than one church in close proximity.

You will live with a carefully chosen family from the local church who will help you to feel at home in your new community.

The cost of Limitless Pioneers Gap Year is only £2,500, which includes your accommodation, food & training!

All intern holidays will be in line with school calendar holidays.

How do I apply?

Fill out the application form and send it to the address below. You'll be contacted with further information and selected applicants will be invited for interview.
