Verse 1

I won't lie  
I've have had more than an ounce of doubt in my mind  
Through these eyes,  
Oh I've struggled to see You at work in my life

**Chorus**

**Cause I have walked through the wilderness**  
**I've been crushed by the weight of my fears**  
**But I'm not forgotten, I will trust in Your Word**  
**Cause I have a Saviour who carries my cares**

Verse 2

There's been tears  
There's been nights when I've cried out Oh where are You God?  
And In my pain,  
I have stood on the scriptures, You're a healing God

*Bridge:*

*Singing glory, Hallelujah, Singing glory, Hallelujah*  
*Singing glory, Hallelujah*  
*Cause I have a Saviour who carries my cares*

Verse 3:

I've been down  
I've been down on my knees, crying out to You God  
But this I know  
If there's a miracle or not, You're still a good God  
If there's a miracle or not, You're still a good God
