

The background is a vibrant collage. At the top, a blue circle with a white flame icon is centered. Below it, the word "LIMITLESS" is in a white, outlined, sans-serif font, and "Oxygen" is in a white, distressed, hand-painted font, both on a black, torn-edge rectangular background. The background collage includes various Bible verses in different colors and fonts, such as "A th...", "lies by day", "that walks in...", "Only...", "51:14", "10:10", "1:6: Luke 4...", "10:14 strike...", "vill...", "hall...", "nall s...", "your foot...", "he...", "foc...", "e upon Me...", "him...", "use he...", "eye...", "eam...", "BEHIN...". On the right side, a woman with dark skin and dreadlocks is smiling and pointing upwards with her right index finger. She is wearing a blue patterned jacket over a grey t-shirt with a colorful graphic and the words "BEHIN...".

YOUTH

Workshop 1

LEADING GEN Z: THREE PRIMARY CHALLENGES

As Max De Pree once said, "the first responsibility of a leader is to define reality." So what are the current realities that leaders of youth ministries must define? In a rapidly changing culture, what are the primary challenges that youth leaders must engage with in order to effectively reach and disciple young people today? In this seminar, Tim examines three interconnected cultural realities and asks us to consider how embracing these realities should shape our youth ministries.

Workshop 2

BRAIN WAVE

Our brains are magnificent. They are complex and creative, and bear the hallmarks of a creator God! And they go through their most radical developmental changes in our teenage years. But how does it change and why is it important? In this seminar we explore how understanding the teenage brain can have a significant impact on the way we disciple young people.

Tim Alford is National Director of Limitless, a lecturer in youth ministry at Regents Theological College, and author of Leadership 101. Tim is passionate about equipping leaders and communicating the gospel, having spoken at conferences, churches, and events all over the world.

CHILDREN

Workshop 1

GREAT THINGS

Can you imagine how different our world would be if we were to truly follow in the footsteps of Jesus? What would happen to our kids groups, families and communities if we grasped hold of John 14:12 and did "greater things than these"?

In this session, Shell's aim is to inspire world-changing mission, passionate discipleship and a zealous heart for what God has called us to do.

Workshop 2

DISCUSSION

This session will involve a practical look at how we inspire families, work with schools and engage in missional outreach.

Come prepared to share your stories (both good and bad!), ask questions, and learn from a community of like-minded, passionate children and family workers and volunteers.

Shell Perris is part of the national leadership team for Limitless Kids, a singer/songwriter, and Director of Imagine Ministries - home of 'ALIVE' Family Worship. Shell and her husband also head up 'Imagine For Schools' delivering resilience and emotional well-being workshops/training.
