COMMUNITY PRAYER GUIDE

Choose a time to be out and about in your community: walk, bike, bus, drive, google maps street view, use physical maps to pray over etc. Why not use a time you're already in your community and re-purpose it to pray?

Thank God for this time, this community and commit your prayers to Him. What are you thankful for?

Ask God to show you what to pray for. As you move about the community use your senses to pray for what you see, hear, feel, notice, smell, touch. Stop and pause to pray in places.

Here's some key words you can pray...

Life Kingdom **Light** Hope **Peace** **Joy**
Strength **Salvation** **Love** Power **Wisdom**
Transformation **Forgiveness** Blessing
Provision **Protection** **Breakthrough** **Strength**

What do you notice physically? People, Places of Interest, Signs of Crime/Regeneration, Businesses etc.

What do you notice spiritually? What is God showing you? Any words, pictures, verses?

Who can you share with? How can you collaborate to get a picture of what God is saying?

I call on you, my God, for you will answer me; turn your ear to me and hear my prayer. *Psalm 17:6*
