

# BE PRAISED

Ian Yates & Sam Blake © 2019 Elim Sound

Verse 1:

4            1            5            6            4            1            5            6  
From the rising to the setting sun, All creation sings an endless song

4 1 5 6    4 1 5 6  
Be praised,        God be praised

4            1            5            6            4            1            5            6  
From the valley to the mountain top, We will join the angels song

4 1 5 6    4 1 5 6  
Be praised.        God be praised

Chorus:

                  4                            5            6  
**So We're lifting up a shout to heaven**

                  4                            4                            6  
**We're singing over all the earth**

                  4    5    6                            4                            5  
**You alone are worthy                    You are worthy to be praised**

Tag:

**6        1    4**  
**Oh,        You are worthy**

Verse 2:

You are closer than the air we breathe and vast beyond the galaxies  
Be praised, God be praised

You hold the world in Your mighty hand and you are holding me right now  
Be praised, God be praised

Bridge:

                  6  
God You were, God You are

                  4  
Forevermore You'll be

                  1                            5  
Be Praised, Be praised
